<p> [] said he had heard nothing recently re rumored changes in CAVATA personnel or disaffection among the present personnel. [] mentioned having heard there is a lot of dissatisfaction over SCHRUEBBER'S personnel policy and that some members reportedly intend to leave the org. [] did not seem surprised and commented that most of the trouble with CAVATA is SCHRUEBBER'S lack of understanding of how to run an effective CART org coupled with the fact he will not listen to those who do know or even have them around him. [] added that RADKE is not helping the situation by his constant support of UPSWING. </p>
